Response to Notice of Draftsperson's Patent Drawing Review

Sir:

This communication is responsive to the Notice of Draftsperson's Patent Drawing Review dated March 15, 2006 in the above-identified application. Discussions with the Draftsperson during the week of April 23, 2006, confirmed that no other portion of Figure 1 and no other Figures were objected to.
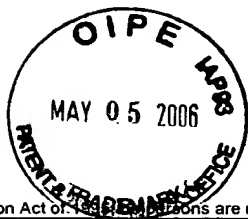

Accordingly, filed herewith is a corrected Figure 1 which remedies the objection set forth above. Approval of corrected Figure 1 is hereby requested.

Respectfully submitted,
